Tuition Fee Waiver & Fee Reimbursement

A guide to tuition-fee assistance schemes available through Maharashtra MahaDBT

1. What does “tuition fee waiver” mean?

On MahaDBT, fee support is usually delivered as a scholarship, fee reimbursement or freeship. The benefit may cover all or part of tuition fees, examination fees and other approved compulsory fees. The exact percentage and eligible fee components depend on the scheme and student category.

“Tuition Fee Waiver” is a general description, not the official name of one universal MahaDBT scheme. The official portal lists multiple schemes run by different departments.

2. Examples of fee-support schemes on MahaDBT

- Post-Matric Tuition Fee and Examination Fee (Freeship) — Social Justice Department: for eligible SC/Neo-Buddhist students whose family income is above ■2.50 lakh, subject to the scheme’s other conditions. Compulsory tuition, examination and other admissible fees are covered.
- Rajarshi Chhatrapati Shahu Maharaj Shikshan Shulk Shishyavrutti Scheme — Directorate of Higher Education: fee-support scheme for eligible students under the scheme’s income, course, institution and admission rules.
- Rajarshi Chhatrapati Shahu Maharaj Shikshan Shulk Shishyavrutti Yojna (EBC) — Directorate of Technical Education: fee-support scheme for eligible technical/professional-course students, subject to the current DTE conditions.
- Tuition Fees and Examination Fees schemes — VJNT/OBC/SBC Welfare Department: separate schemes exist for eligible VJNT, OBC and SBC students.
- Tuition Fee and Exam Fee for Tribal Students (Freeship) — Tribal Development Department: fee assistance for eligible Scheduled Tribe students.
- DMER fee-reimbursement schemes: specific schemes are listed for certain medical and allied-health courses, including a scheme for eligible girls in specified courses.

3. Eligibility: what is commonly checked

- Category: open/EBC, SC, ST, OBC, VJNT, SBC, SEBC or another eligible group, depending on the scheme.
- Annual family income: each scheme has its own income ceiling and income-proof requirements.
- Course and institute: the course must be included and the institution must satisfy the scheme’s recognition/approval requirements.
- Admission route: some professional/technical schemes require admission through the Centralized Admission Process (CAP).
- Gender, domicile, hostel status, academic progress and previous failures may be relevant for particular schemes.
- Only the scheme’s official current conditions determine eligibility; meeting one condition does not guarantee approval.

4. Common documents

- Maharashtra domicile/residence proof, if required.
- Current-year income certificate and category certificate, where applicable.
- Caste validity and non-creamy-layer certificate, where applicable.
- CAP allotment letter and admission confirmation for schemes that require them.
- Current fee structure, fee receipt, bonafide certificate and previous-year marksheet.
- Bank account/Aadhaar details and any additional documents shown on the selected scheme page.

5. How to apply and avoid mistakes

- Visit MahaDBT and sign in/register. Complete the student profile before selecting a scheme.
- Open the exact scheme page and confirm the fee coverage, income ceiling, course list, admission rules and document checklist.
- Enter the correct academic year, course, institute and admission details. Upload clear documents.
- Submit the application and track it through the applicant dashboard. Contact the college scholarship section if it is pending or returned for correction.
- Do not assume the fee is waived immediately at admission. Confirm with the college how fees are collected and how approved reimbursement is credited/adjusted.
- Check the latest Government Resolution (GR) linked from the scheme page for binding conditions and updates.

6. Official confirmation

The MahaDBT portal provides the current scheme catalogue and links to Government Resolutions. Use its “Find Eligible Schemes” feature after entering your category and family income. For a final eligibility decision, consult the college scholarship/nodal officer or the department administering the scheme.
